let it be me by Marianne Weber
I bles the day I found you.
I won't to stay around you.
And so I beg you, Let It be me.
Don't take this heaven from one.
If you must clame to some one.
Now and forever, Let It be me

Each time we need love.
I found to plead love.
Without your sweet love.
What wouth like be.
So never leave me lonely.
Tell me you love me only.
And that you alway's, let It be me.

Each time we need love.
I found to plead love.
Without your sweet love.
What wouth like be.
So never leave me lonely.
Tell me you love me only.
And that you alway's, let It be me
And that you alway's, let It be me.
