Drive, step off and drive
Get in your car or truck and drive
Drive
I can't drive yet
Don't have my license

You don't got no self control
And you can't drive this vehicle
I don't like you anymore
You filthy, disgusting, dirty little whore
I don't suffer from ADD
What
I don't suffer from ADD
What
I don't suffer from ADD
What
I don't suffer from ADD
What
You kids can't help
My problems lie in health
You kids can't help
My problems lie in health
You clever little boy
