Uh Huh  
That's right  
Let's go  
You deserve everything that you got  
You don't get no second chances  
You deserve everything that you got  
You don't get no second chances now  
...  
No second chances  
Right outside the wall  
And I can't fall asleep  
In in the grocery store  
But I don't know what to eat  
Right now  
Right now  
Come with me  
Right now  
Right now  
You're all pussies  
Ride with me  
Ride with me  
I'm a rapper named Nelly  
Ride with me  
Ride with me  
I'm a rapper named Nelly  
Hot shit  
Hot shit  
...  
You deserve everything that you got  
You don't get no country grammar now
