(Intro)

Just a few things  
You make me feel like  
Tuesday nights  
Black lights  
Velvet pictures  
OMvie'in  
Zodiac signs  
Street lights  
Shine through the window  
50 candles in yellow

Uncle Sam]

Got a lot, a lot of love for you baby  
Got a lot, a lot of love  
I wanna put you up there now baby  
Wanna place you up above  
Ooh, you make me wanna stare at you baby  
Make me wanna look and see  
'Cause I like the way you move your sexuality

(US = Uncle Sam, DT = Dorothy Thorton)

1 - [US] Girl you make me feel like  
[DT] Touching you  
[US] Girl you make me feel like  
[DT] Holding you  
[US] Girl you make me feel like  
[DT] Needing you  
[US] Girl you make me feel like  
[DT] Making love... to you

[Uncle Sam]

Baby, baby, won't you come to me baby?  
Baby, baby, come to me  
'Cause I've got this feeling darlin'  
And it's really killing, see  
(If I take you in, will you come up?)  
I need to know right now  
I wanna see if it's real now baby  
What's this thing all about?

Repeat 1

[Uncle Sam]

If I ask you, can I touch you there, baby

Does it feel good

'Cause when you touch me

You make me feel like a real man should

Please be gentle (I'll be gentle)

That's all right

'Cause I wanna do you baby... all night

Repeat 1 to fade
