Sometimes I wonder how I'd ever make it though  
Through this world without having you  
I just wouldn't have a clue

'Cause sometime it seems like  
This world's closing in on me  
And there's no way of breaking free  
And then I see you reach for me

Sometimes I wanna give up  
Wanna give in, I wanna quit the fight  
And then I see you baby  
And everything's alright, everything's alright

When I see you smile, I can face the world, ooh  
You know I can do anything  
When I see you smile, I see a ray of light, ooh  
I see it shining right through the rain  
When I see you smile  
Baby, when I see you smile at me, oh yeah

Baby there's nothing in this world  
That could ever do, what the touch of your hand can do  
It's like nothing that I ever knew  
And when the rain is falling, I can feel it

'Cause you're here with me now  
And one look at ya baby  
It's all I'll ever need, it's all I'll ever need

When I see you smile, I can face the world, ooh  
You know I can do anything  
When I see you smile, I see a ray of light, ooh  
I see it shining right through the rain  
When I see you smile  
Baby, when I see you smile at me

Sometimes I wanna give up  
I wanna give in, I wanna quit the fight  
Then one look at ya baby  
And everything's alright, yeah, everything's alright, so  
right

When I see you smile, I can face the world, ooh  
You know I can do anything, yeah  
When I see you smile, I see a ray of light, ooh  
I see it shining right through the rain, yeah

When I see you smile, yeah I can face the world, ooh  
You know I can do anything  
When I see you smile, oh yeah, baby  
When I see you, smile, smile at me, at me
