You never see my comin'
You never see me
But then you feel me
(mmm) kiss your face

I know you're lonely now
But you don't have to be
I wanna show you
show you the love in me

Move in my direction
I'll tell you you're so special
Give you everything I've got to give
I just wanna hold you
Be your one and only
don't you wanna know what I keep inside
Remember that I told you
I'd be there to hold you
Wipe away teardrops
from your eyes
Baby let me be your earth and sky

I'll be there for you
When the world's tumblin' down
I'll be there for you
In your times of need
I'll be your best friend
Oh, just let me show you my love

Move in my direction
I'll tell you you're so special ...

What is the reason that you're holdin' back (Holdin'
back)
'Cause once you tasteit you will give up
There is no reason to be holdin' back (Holdin' back)
There is no reason I can think of
there is no reason, just give in to love

Move in my direction
I'll tell you your so special

Give you everything i've got to give
I just wanna hold you
Be your one and only
Don't you wanna know what I keep inside x2
Remember that I told you
I'd be there to hold you
Wipe away the teardrops
From your eyes
Baby let me be your earth and sky
