Cos it's a good thing, mh oh yeah
(It's) like walking on a cloud on your favourite day
I know it's your thing, and it fits you good
Makes your body swing, ba, ba, bada, yeah

So I ain't messin' with nobody
I just wanna keep it straight, yeah
With no complications, without a fuzz
Just an ordinary punch line and you're done

Oh, ah. you don't need no bling bling
Need no right or left wing, you've already figured it
out, that's right

Cos it's a good thing, mh oh yeah
(It's) like walking on a cloud on your favourite day
I know it's your thing, and it fits you good
Makes your body swing, ba, ba, bada, yeah

Ah, time is on your side
Blue skies at the roof
With no complications, without a fuzz
Common or extraordinary, it doesn't matter

Oh, ah. you don't need no bling bling
Need no right or left wing, you've already figured it
out, that's right

Cos it's a good thing, mh oh yeah
(It's) like walking on a cloud on your favourite day
I know it's your thing, and it fits you good
Makes your body swing, ba, ba, bada, yeah

Cos it's a good thing, mh oh yeah
(It's) like walking on a cloud on your favourite day
I know it's your thing, and it fits you good
Makes your body swing, ba, ba, bada, yeah

Cos it's a good thing, mh oh yeah
(It's) like walking on a cloud on your favourite day
I know it's your thing, and it fits you good

Makes your body swing, ba, ba, bada, yeah
