Do you mind if I come a little bit closer
I wanna drown in that beautiful smile
And never come back to the old world, mm

Do you mind if I kiss you and get him
And get make in to someone else
I don't wanna wait, maybe to late
So come and baby lets begin

I'm telling the world, cause I want you to know
That you and I are one
I'm telling the world, I will never let go
I'm gonna tell everyone

Chorus:
I can tell you straight, whenever I lose
Don't have to play silly games with you
I can be just who I wanna be, mm

When the lights are low I will dance with you
The thing that lovers do
I don't wanna wait, maybe to late
So come and baby lets begin

Chorus:
I'm telling the world, cause I want you to know
That you and I are one
I'm telling the world, I will never let go
I'm gonna tell everyone

We can do what we wanna do
We can be what we wanna be, aaa

Chorus:
I'm telling the world, cause I want you to know
That you and I are one
I'm telling the world, I will never let go

(I'm telling the world, cause I want you to know)
Aao, aao, oo
I'm telling the world, I will never let go

Aao, aao
