

## Uncle Tupelo "Cold Shoulder"

Visit "[Cold Shoulder](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Doesn't matter what you've said  
Or what you've done  
When you've lost your head  
You're looking for a new one

Your Heaven looks just like my Hell  
Beautiful as far as I can tell  
But your Heaven looks just like my Hell

Just as I drown  
Then you say it's real  
So I hold myself down  
'Cause I like the way it feels

Your Heaven looks just like my Hell  
Beautiful as far as I can tell  
But your Heaven looks just like my Hell

How could I have ever needed  
Such a cold heart to count on?  
And how could I have ever wanted  
Such a cold shoulder to cry on?
