I Love to See You Smile

Written by Randy Newman

The numbers denote who sings what if two people sing.

(This is only one version -- sing as you will.)

1 I was born to make you happy.

I think you're just my style.

Every where I go,

Telling everyone I know,

Baby, I love to see you smile.

2 Don't want to take a trip to china.

Don't want sail up the Nile.

Wouldn't wanna get too far,

From where you are,

'Cause I love to see you smile.

1 In the Summer,

In the Spring time,

Winter, or the Fall,

The only place

I wanna be

Is where I can see you smile at me.

1 Like a sink without a faucet.

2 Like watch without a dial.

1&2 What would I do if I didn't have you.

I love to see you smile.

2 In the Summer,

In the Spring time,

Winter, or the Fall,

The only place

I wanna be

Is where I can see you smile at me.

1 In a world that's full of trouble,

You make it all worth while.

1&2 What would I do, If I didn't have you.

Oh, I love to see you smile.

I love to see you smile.

Fini.
