Kathleen Kathleen Kathleen

The best one in the world

Kathleen Kathleen Kathleen

I've always been crazy about Irish girls

I've always been crazy about Irish girls

Hey, hey, hey, hey

Hey, hey,

Come what may

Her, hey, hey, hey

I'm gonna take you away, away

Kathleen, Kathleen, Kathleen

I've searched through all the world

I dream of you, Kathleen

I've always been crazy about Irish girls

I've always been crazy about Irish girls
