There's a hundred thousand Frenchmen in New Orleans

In New Orleans there are Frenchmen everywhere

But your house could fall down

Your baby could drown

Wouldn't none of those Frenchmen care

Everybody gather 'round

Loosen up your suspenders

Hunker down on the ground

I'm a cracker

And you are too

But don't I take good care of you

Who built the highway to Baton Rouge?

Who put up the hospital and built you schools?

Who looks after shit-kickers like you?

The Kingfish do

Who gave a party at the Roosevelt Hotel?

And invited the whole north half of the state down there for free

The people in the city

Had their eyes bugging out

Cause everyone of you

Looked just like me
Kingfish, Kingfish
Everybody sing
Kingfish, Kingfish
Every man a king
Who took on the Standard Oil men
And whipped their ass
Just like he promised he'd do?
Ain't no Standard Oil men gonna run this state
Gonna be run by little folks like me and you
Kingfish, Kingfish
Friend of the working man
Kingfish, Kingfish
The Kingfish gonna save this land
