Last night I had a dream

You were in it I was in it with you

Everyone that I knew

And everyone that you know was in my dream

I saw a vampire

I saw a ghost

Everybody scared me but you scared me the most

In the dream I had last night

In the dream I had last night

In my dream

It started out in a barnyard at sundown

And everyone was laughing and you were lying on the ground

You said "Honey can you tell me what your name is?"

"Honey, can you tell me what your name is?"

I said, "You know what my name is
