What has happened down here is the wind have
changed

Clouds roll in from the north and it started to rain

Rained real hard and rained for a real long time

Six feet of water in the streets of Evangeline

The river rose all day

The river rose all night

Some people got lost in the flood

Some people got away alright

The river have busted through cleared down to
Plaquemines

Six feet of water in the streets of Evangeline

CHORUS

Louisiana, Louisiana

They're tyrin' to wash us away

They're tryin' to wash us away

Louisiana, Louisiana

They're tryin' to wash us away

They're tryin' to wash us away

President Coolidge came down in a railroad train

With a little fat man with a note-pad in his hand

The President say, "Little fat man isn't it a shame what

the river has

done

To this poor crackers land."

CHORUS
