There's a girl over there

With the rhythm everywhere

She's a very fine girl

And she's been awfully nice to me

When we walk

As we sometimes do

All the way out Collins Avenue

Well it's very very fine

Very very special

Very

Gee I love Miami

It's so nice and hot

And every building's so pretty and white

And I always get into so much trouble

When I'm down there

I know these two old stiff

Live on the Waterway

That's where I like to stay

When I'm down

In

Miami

Blue day

Best dope in the world

And it's free

Miami

Blue day

Put on your shortie shorts

And your Hawaiian shirt

And come down!

There's a man over there

With the conk in his hair

He's a very bad man

Don't look now

He's really very bad

And his name is Medina

And he comes from Argentina

See that little dog there with him

Well, he treats it just like it was his little boy

Oh, I love Miami

It's so hot

And the women down here

Are so impure

I love to hang around

The big hotels

And sleep in the sun all day

I know this double jointed guy

With the circus in St. Pete

He's with me now

He says hello

>From 14th Street

In

Miami

Blue day

Best dope in the world

And it's free

Miami

Blue day

Put on your shortie shorts

And your Hawaiian shirt

And come down
