No one likes us

I don't know why.

We may not be perfect

But heaven knows we try.

But all around even our old friends put us down.

Let's drop the big one and see what happens.

We give them money

But are they grateful?

No they're spiteful

And they're hateful.

They don't respect us so let's surprise them;

We'll drop the big one and pulverize them.

Now Asia's crowded

And Europe's too old.

Africa's far too hot,

And Canada's too cold.

And South America stole our name.

Let's drop the big one; there'll be no one left to blame us.

Bridge:

We'll save Australia;

Don't wanna hurt no kangaroo.

We'll build an all-American amusement park there;

They've got surfing, too.

Well, boom goes London,

And boom Paris.

More room for you

And more room for me.

And every city the whole world round

Will just be another American town.

Oh, how peaceful it'll be;

We'll set everybody free;

You'll have Japanese kimonos, baby,

There'll be Italian shoes for me.

They all hate us anyhow,

So let's drop the big one now.

Let's drop the big one now
