He was spittin' on the sidewalk
Squintin' into the sun
Greetin' all the people
Smilin' at everyone

I said "Hey listen Fat Man
I just can't get a break
Must I pay my whole life long
For just one mistake?"

"My brother's in the armed forces
My sister is in jail
Won't you give me fifty dollars
So I can pay her bail?"

He said "You Can't Fool The Fat Man
No, you can't fool me
You're just a two-bit griftet
And that's all you'll ever be
