You've got a friend in me.
You've got a friend in me.
When the road looks rough ahead,
And you're miles and miles from your nice warm bed.
You just remember what your old pal said.
Boy, you've got a friend in me.
Ya, you've got a friend in me.

You've got a friend in me.
You've got a friend in me.
You've got your troubles, I got 'em too.
There isn't anything I wouldn't do for you.
We stick together we can see it through,
Cause you got a friend in me.
You got a friend in me.

Some other folks might be a little bit smarter than I am.
Bigger and stronger too.
Maybe, but none of them will ever love you the way I
do,
It's me and you, boy.
And as the years go by,
our friendship will never die.
We'll both see it's our destiny.
You've got a friend in me.

You got a friend in me.

You got a friend in me
