Here in my heart
There's a truth
That no one could love me like you
But lately you seem, so far away
Pretending that you hear what I say
It's all I can do
To get some attention from you
Sometimes you look
So unsure
Has time left you, longing for more
Wishing you would, let me back in
I just wanna be home again
It's all I can do
To get some attention from you
You mean too much to me
To give up without a fight
Lord knows we can't survive
One more silent night
I'd like to think
There's a chance
Someway to save
Our romance
But if I have to, do it alone
I'd be better off, on my own
It's all I can do
To get some attention from you
Oh what can I do
To get some attention, from you
Ummm
