Strong man strangles universe, he drowns the stars  
Blinded by the mission of a thousand wars  
He's fit and dominant, no wonder why  
He loves the battle cry

Strong man is survivor, he lives to pound  
Little wooden crosses in the bloody ground  
He's fit and dominant, his will is truth  
His hand is absolute

Chorus:

And the world keeps on turning, and the sun keeps on  
burning  
And the children keep learning how to grow up big and  
strong  
How to grow up big and strong

Strong man takes no prisoner, favors no plea  
He leaves no gold in teeth of enemy  
He's fit and dominant, rises above  
He has no word that means love

chorus repeats 2x

How to grow up big and strong...
