In the twilight glow I see you, blue eyes cryin' in the rain
When we kiss goodbye and party, I knew we'd never
meet again

Love is like a dying amber, and only memories remain
And through the ages I remember, blue eyes cryin' in
the rain

Blue eyes cryin' in the rain

Someday, when we meet up yonder, we'll strawl hand
in hand again

In a land that knows no parting, blue eyes cryin' in the
rain
