I know it's over, you know it's over, we're just goin' thru  
the motions

But we're sailin' seperate oceans, worlds apart

And you know it's breakin' my heart

I was a dreamer, you were a dreamer, but perfection is  
consuming

And it seems we're only human after all, and we're  
both been takin' the fall

Chorus:

But tomorrow we'll run a little bit faster

Tomorrow we're gonna find what we're after at last

Feelings that we left in the past

There's romance in the sunset, we're boats against the  
current to the end

Maybe we're older, and maybe we're colder, so we  
disregard solutions

While we cling to our illusions once again, and we keep  
rememberin' when

Seasons are changin', oh my reasons are changin', but  
the story isn't ending

So we find ourselves pretending one more day, and  
the years keep slippin' away

chorus repeats 2x

Romance in the sunset, we're boats against the current  
to the end, to the end
