Chorus:

Harsh words are spoken, promises are broken  
Old wounds are opened, and love walks out that door  
Too proud to make up, you're ready to break up  
Too late you'll wake up, and love walks out that door  
Baby, oh sweet baby, I didn't mean a word I said  
You know that I love you, can't we talk it over in bed  
I never meant to hurt you, I must have been out of my  
head

Tell me you still want me, can't we talk it over in bed  
(Talk, talk, talk it over, talk) - let's talk it out baby  
chorus - out that door

Baby, oh sweet baby, won't let you walk out that door  
Come on a little closer, can't we just forgive and forget  
Everything seems to work out, when we talk it over in  
bed

Too much time apart, we need a little heart to heart

(chorus repeats out)

Can't sleep without you baby  
Oooh, cuddle up, cuddle up, cuddle up, cuddle up,  
baby

Don't end the night this way  
Oooh, cuddle up, cuddle up, cuddle up, cuddle up,  
cuddle up, baby

Oh sweet baby, I didn't mean a word I said  
You know that I love you...
