Love you were kind and much older, foolish but wiser  
than me  
Am I becoming an anchor, holding you back from the  
sea

Restlessly you stand there, crying silently  
It must be so hard being easy on me

Chorus:

Compassionate man, so gentle, trying hard to shelter  
me  
Compassionate man, so kind, but the bottom line will  
be what it will be  
You're leaving me, leaving me

Love, my whole life was a desert, then gently your love  
fell like rain  
We lived for awhile in a garden, but now I'm a desert  
again

Come right out and say it, tell me honestly  
It must be so hard being easy on me

chorus

You're leaving me (repeats out)
