"Culture Shock"

I've been tryin' to tell you
I've been puttin' it off, puttin' it off, can't wait any
longer
You've been good to me and that only makes it harder
to say what I gotta say

You gotta know, I didn't plan it, it was the last thing on
my mind
How can you love two people at the same time? Ooh
ooh
Now I don't wanna lose you, but I can't give him up

Chorus:
I know it's unconventional, radical but practical
Why can't the three of us live together?
It's a culture shock, but it's the only hope we've got
(So) tell me, why can't the three of us live together?

If I could go back and undo it
If I had a time machine, I'd make it unhappen like a bad
dream
Honey you gotta know, I didn't plan it, it was the last
thing on my mind
How can you love two people at the same time? Ooh
ooh
Now I don't wanna lose you, but I can't give him up

(chorus)

You're not takin' this too well, it's out of the question, I
can tell
It's not gonna work, is it

Oh, I know it's unconventional, it's radical but practical
I don't wanna lose you, no, but I'm not gonna give him
up, no
It's a culture shock, but it's the only hope we've got
Tell me, why can't the three of us live together?

(chorus repeats out...)
