(Big Band:)

Anybody blue, anybody needin' someone too  
Anyone feelin' cold, no one there, you can hold  
Don't wait to get old and gray, I'm gonna blow all the  
clouds away

'Cos there is nothing I would rather do

Chorus (1):

Forget about the blues tonight, sweet thing  
Forget about the rules tonight, sweet thing  
I wanna dance with you, until the sun comes creepin'  
through

I wanna dance with you, I won't stop pleasin' you, ah...

Honey for awhile, give a girl a chance to show some  
style

If you got no love to spare, tell me lies, I don't care

You better believe that I, I know some moves that we've  
got to try

'Cos there is nothing I would rather do

chorus (1)

(Rock:)

Lover I want to let you know, I won't take a back seat  
Ain't willin' to let you go, I won't take a back seat  
Don't wanna hear what you want, it's gotta be all my  
way

And I'm makin' sure you stay to see

I'm really a selfish man, I've gotta get right to it

And lover tonight I'm thinkin' of me

Chorus (2):

Lover I won't take a back seat tonight, oooh

Lover gettin' on my two feet tonight, oooh

Got some dancin' to do, got some dancin' to do

Got some dancin' to do, got some dancin' to do

Can't let anyone get to you, I won't take a back seat

Let me show you what I can do, I won't take a back seat

It ain't funny to fool with me, I'd be a sad loser

You're gettin' me mad using me

You tried puttin' a spell on me, 'cos I had a strange  
feelin'

You'd better get down to healin' me

chorus (2)

chorus (1) & (2) repeats 2x
