Some people search a lifetime, for a love to stand the
test of time

But you don't have to worry, you've got someone
Who will always be right by your side, oh

I've got a love, got a love that won't end, here in my
heart, baby
I've got a love

Chorus:

So deep - deeper than a river
So high - higher than any mountain
So strong - strong enough to last for all time, this love
is runnin'
So deep - deeper than a river, (it goes) on and on
This love is, this love is, this love is deeper than a river,
yeah

Oh yeah

Just like a tree that stands tall, darlin' I'll stand by you
thru it all

There's nothin' gonna stop me from lovin' you
I will always be right by your side

You've got a love, got a love for all time, here in my
arms baby

I've got a love, got a love that won't die, here in my
heart baby
I've got a love

(chorus)

Like a river needs the sea, I need you with me
Every minute of my life, oh yeah
And like the sunlight needs the sky, I need you by my
side, this love of mine
Is so deep, baby, is so deep baby, ooh, so deep baby,
ooh
I've got a love

So deep - deeper than a river, it goes on and on and on
and on, yeah
(This love is) you know (this love is) this love is deeper
than a river

(chorus repeats out)
