I can't imagine why you say the things you do, maybe
in time I'll understand
What is the reason for the emptiness you feel, when I'm
trying everything I can

Chorus:

My love is running deeper than the night, stronger than
the north wind blowing
It's a fire burning bright, and it's always been this way

Can you hear me? Am I really coming thru? Why do
your eyes seem to dance away?
I know what's right for you, haven't I always? I need you
more than I can say

chorus repeats 2x

And I'll never ever change
In my life time, I'll stay the same
Yes I'll never, I'll never change
I'll love you, I'll stay the same

My love is running
[deeper than the night, stronger than the north wind
blowing
Fire burning bright, and it keeps on growing, keeps on
growing]
(repeats out)
