"Driving Music"

I'm a taxi driver, I'm an all-nighter
Don't wanna fall asleep at the wheel, play me some feel
Four a.m., business is slow, I listen to my radio
If no-one flags me down, I turn up the sound

Moving to the beat, cruise the empty streets
Changing the gears, fiddling up my ears
Help me stay awake, don't take the commercial break
I need another fare, so stay on the air (keep on playing...)

Chorus:

Won't you play me some driving music, won't you play
me some driving music

I'm the day dreamer, must be [dull, my doc] says
I'd better take it slow, or the speaker's gonna blow up
Help me stay awake, don't take the commercial break
I need another fare, so stay on the air (keep on playing...)

(chorus)

Please won't you play me my request, I wanna hear it
one more time
Just for luck, spin it again 'fore the sun comes up
Seems like I'm always changing dials, station to
station, mile after mile

(chorus repeats out)
