There was a time when I was in a hurry as you are - I
was like you
There was a day when I just had to tell my point of view
- I was like you
No I don't mean to make you frown, no I just want you
to slow down

Chorus:

Have you never been mellow, have you never tried
To find a comfort from inside you
Have you never been happy just to hear your song
Have you never let someone else be strong

Running around as you do, with your head up in the
clouds - I was like you
Never had time to lay back, kick your shoes off, close
your eyes
I was like you
Now you're not hard to understand, you need someone
to take your hand

(chorus)
