The road is long, with many a winding turn
That leads us to who knows where, who knows where
But I'm strong, strong enough to carry him

He ain't heavy - he's my brother

So on we go, his welfare is my concern
No burden is he to bare, we'll get there
For I know he would not encumber me

He ain't heavy - he's my brother

If I'm laden at all, I'm laden with sadness
That everyone's heart isn't filled with gladness of love
for one another

It's a long long road from which there is no return
While we're on our way to there, why not share
And the load, it doesn't weigh me down at all

He ain't heavy - he's my brother

He ain't heavy - he's my brother, he's my brother, he's
my brother
