(Al Anderson, Robert Ellis Orrall)

Just one, innocent smile
That I, could have missed
That's all, it took to start all this
One word, so softly spoken
When I, needed it most
Why you, why right now - who knows
And I don't know why this is happening
Why it feels so right
But I do know I don't wanna say goodnight
Last kiss, until tomorrow
Out on, the front porch swing
Till then, nothing means anything
And I don't know why this is happening
Why it feels so right
But I do know I don't wanna say goodnight
I can't let go
When I'm holding you tight
All I dream of
Is the day when we don't
Have to say goodnight
And I don't know why this is happening
Why it feels so right
But I do know I don't wanna say goodnight
Oh
And I don't know why this is happening
Why it feels so right
But I do know I don't wanna say goodnight
Oh no
Just one, innocent smile
That I, could have missed
That's all, it took to start all this
Oh no
I don't wanna say goodnight
Oh no
I don't wanna say goodnight
Oh
I don't wanna say goodnight
Oh
Oh no
Just wanna hold you tight

Oh baby, I don't wanna say goodnight
