It's nothing personal, in other circumstances  
Another place, another time, I would take my chances

Oh, I know I could take you home tonight  
But I don't wanna wake up with you, wishing I was alone  
Ah, don't rush, 'cos when the timing's right, I'll know, I  
wanna be sure  
I just can't play the game anymore

Chorus:

I'm not lookin' for a band-aid on loneliness  
I'm not lookin' for a temporary get-me-thru-the-night  
I'm holdin' out for something more than physical  
I need love to make the sex right

It's nothing personal, in other circumstances  
Another place, another time, and I might take my  
chances

I want you, and I'm not hiding from the way I feel  
I've been tryin' to fill this empty heart with something  
not real  
And I don't wanna live like that anymore  
In a world going crazy, these days you really got to be  
sure, so

(chorus)

(sex right)

Times are different than before, good things are worth  
waiting for

It's nothing personal, in other circumstances, another  
place, another time

(Solo)

No - (chorus)

I need love (it's nothing personal)

(chorus - with "to make it feel right")

(It's nothing personal)

(chorus to fade)
