I never tried to change you, but the hurt is changing me  
I only wanna be myself, and you won't let that be  
I can't play and act this role, 'cause I can't live a lie  
Life's too short, the night's too long, to let them pass us  
by

Chorus:

So I'll be closing the door in the morning, and I won't  
wake you when I rise  
'Cause there's nothing to say before going  
You think that I said it all, so I think I'll say goodbye

Believin' came so easy, when our love was flowin' free  
But there's a wall of darkness, where sunshine used to  
be  
One more wrong tomorrow is one more wasted day  
Holdin' on to love that's gone, we'll never find our way

(chorus)

You think that I said it all, so I think I'll say goodbye
