Alone, so alone, that I could cry, I wanna be wanted
Alone, watching lovers passing by, I wanna be wanted

When I'm kissed, I want his lips to really kiss me
When we're apart, I want his heart to really miss me
I want to know he loves me so, his eyes and his teeth
That's the way I wanna be loved

Alone, just my lonely heart knows how, I wanna be
wanted
Right now, not tomorrow, but right now, I wanna be
wanted

I want someone to share my laughter and my tears with
Someone I know I'd love to spend a million years with
When is this someone somewhere meant for me

(Solo)

I wanna want someone to share my laughter and my
tears with
Someone I know I'd love to spend a million years with
When is this someone somewhere meant for me
Oh, meant for me, ooh, meant for me
