"Love Make Me Strong"

There's no power capable of comin' between us -
dividing our love
To be faithful I have sworn, together we can weather
the storm

Our tomorrows are ticking away, our hands are tied -
we're victims of fate
In my darkness I will pray for destiny to send me away

Chorus:

Love make me strong, give me the strength to carry on
Love make me strong, a tower of strength to lean upon,
love make me strong

The seven seas won't keep us apart, not with an ocean
of love in my heart
My devotion will see me through, 'cos nothing's gonna
keep me from you

chorus

Oh it's a sad sad story, true love forced to part
Shot down in all it's glory, you'll hear the sound of
broken hearts

My devotion will see me through, 'cos nothing's gonna
keep me from you

chorus

Oh oh love make me strong
Love make me strong, make me strong, love make me
strong
