"Magic"

Come take my hand, you should know me, I've always
been in your mind
You know I will be kind, I'll be guiding you

Building your dream has to start now, there's no other
road to take
You won't make a mistake, I'll be guiding you

Chorus:
You have to believe we are magic, nothin' can stand in
our way
You have to believe we are magic, don't let your aim
ever stray
And if all your hopes survive, destiny will arrive
I'll bring all your dreams alive, for you
I'll bring all your dreams alive, for you

From where I stand you are home free, the planets
align so rare
There's promise in the air, and I'm guiding you

Through every turn I'll be near you, I'll come anytime
you call
I'll catch you when you fall, I'll be guiding you
