I can tell you got plans for me
And your eyes are saying you made them carefully
But tonight I have to say there just might be another
way

Won't you spare me all the charms and take me in your
arms
I can't wait, I can't wait

Chorus:
I'm the one you want, that's all I wanna be, so come on
baby, make a move on me
Got nowhere to go, all my time is free
So come on baby, make a move on me tonight - I can't
wait, I can't wait

You, made the prettiest speech I've heard
But a single touch surely is worth a thousand words
To a heart that's open wide and from the start was on
your side

Won't you spare me all the charms and take me in your
arms
I can't wait, I can't wait

chorus repeats out
