New born babe, don't know nothin' 'bout the ways of
the world
Or astronauts upon the moon, or witches on brooms

New born babe, don't know nothin' 'bout the politics of
people
Or chess pieces, or old churches, you just know your
mother

New born babe, don't know nothin' 'bout the way it's
gonna be
Or clown faces, or master pieces, or love affairs, or
rockin' chairs
I see you sleepin' away, gettin' older every day

(Solo)

New born babe, don't know nothin' 'bout the way it's
gonna be
Or clown faces, or master pieces, or love affairs, or
rockin' chairs
I see you sleepin' away, ah, you're gettin' older every
day
