Here we are in a room full of broken hearts  
Lovers once, but in the end, we never really had a  
chance  
You wanted to be free, now that you're lonely, you want  
me back again

Chorus:

But I'm not gonna be the one that you call  
Not gonna take the fall, for all your indecision  
Not gonna put my back to the wall  
Not gonna take the fall, for all the pain you've given

Me and you, we were a dream that never could come  
true  
In time you'll see, that our love was never really meant  
to be  
And if you discover, you need a lover, someone to  
break your fall

(chorus)

You wanted to be free, now that you're lonely, you want  
me at your arm

(chorus repeats out...)
