I'm saying all the things that I know you'll like, makin'  
good conversation  
I gotta handle you just right, you know what I mean

I took you to an intimate restaurant, then to a  
suggestive movie  
There's nothin' left to talk about, unless it's horizontally

Chorus:

Let's get physical, physical, I wanna get physical, let's  
get into physical  
Let me hear your body talk, your body talk, let me hear  
your body talk

chorus

I've been patient, I've been good, tried to keep my  
hands on the table  
It's gettin' hard this holdin' back, if you know what I  
mean

I'm sure you'll understand my point of view, we know  
each other mentally  
You gotta know that you're bringin' out the animal in  
me

chorus repeats 3x

Let's get animal, animal, I wanna get animal, let's get  
into animal  
Let me hear your body talk, let me hear your body  
talk...
