(Olivia Newton-John, Annie Roboff)

In this world
Where life keeps changing
Nothing ever seemed to
Be enough
I kept on
My soul was searching
Looking for something that would
Fill me up
I have always
Felt a yearning
Something inside me was unsatisfied
Precious love
You woke my heart up
It's been sleeping for such a long time
This crazy feeling
I can't believe it
Your love has found its way into my life
Take our time
Slow and easy
I'm so comfortable when
I'm with you
Catch my breath
When you come near me
Can't control this if I wanted to
Lord I'd never
Trust another
But here in your arms I feel safe again
Precious love
You woke my heart up
It's been sleeping for such a long time
This crazy feeling
I must be dreaming
Your love has found its way into my life
You touched a part of me
And set my spirit free
Precious love
This crazy feeling
I must be dreaming
Your love has found its way into my life
You know, your precious love

Has changed
My life
