I heard that you're on your own now, so am I, I'm living
alone now

I was wrong, so were you, what will you do?

Are you glad to be free, are you feeling lost just like
me, longing for company

Chorus:

Oh Sam, Sam, you know where I am, come around and
talk awhile

I need your smile, you need a shoulder

Oh Sam, Sam, you know where I am, and the door is
open wide

Come on inside, longing to see you

Oh Sam, Sam, you know where I am

I find the days hard to face now, empty rooms, there's
much too much space now

And the nights go so slow, I'm sure you know

Wish I knew what to do, it would be so nice seeing you

And it might help you too

chorus

Oh Sam, you know where I am

Oh Sam, ooh Sam, you know, you know, you know
where I am
