Why do I have to care for you
When I should have known to stay away, why was I
there for you
I don't know how I lost my touch
I never believed that I could ever want somebody's love
so much

Time can shake me loose from the blues, but who
would know, I'd be this slow
Shaking you

I don't know what I'm lookin' for
I just let the arrows go and hope I'll find what I'm
shootin' for
So don't say that you'll be there for me, if you don't
care for me
I'll be gone, 'cos I don't have the strength to be this
strong
Tell me what to do, who knew that hurt took so long

Shaking you

Now I'm waiting to hit the ground
I'm painting my love for you, in corners I know I will get
around

Time can shake me loose from the blues, but who
would know, I'd be this slow
Shaking you

I don't know what I'm lookin' for
I just let the arrows go and hope I'll find what I'm
shootin' for
