"Slow Dancing"

by Jack Tempchin

It's late at night and we're all alone, with just the music
of the radio

No one's coming, no one's gonna telephone
Just me and him and the lights down low - and we're

Chorus:

Slow dancing, swaying to the music, slow dancing, just
me and my guy

Slow dancing, swaying to the music, no one else in the
whole wide world

In the whole wide world

And we just float together when the lights are low

And shadows dancing across the wall

The music's playing so soft and low

And the rest of the world so far away and small

(chorus)

Hold me, please hold me, don't ever let me go

And as we dance together in the dark

There's so much love in this heart of mine

He whispers to me and I hold him tight

He's the one I thought I'd never find

(chorus)
