Smile for me, let me know that I will always be
The one and only one you'll always need, baby, smile
for me

Smile for me, chase away the cloud that constantly
Is like a shadow hangin' over me, baby, smile for me

Smile your smile of total tenderness
Smile the smile that takes away the rain
Smile away my total emptiness, for I never wanna have
to cry again

Smile for me, and I'll become the girl you want to see
No, there's nothin' that I can't be, if you'll just smile for
me

Smile your smile of total tenderness - Oh smile your
smile
Smile the smile that takes away the rain
Smile away my total emptiness

No, I never, never wanna have to cry again

Smile for me, and I'll become the girl you want to see
No, there's nothin' that I can't be, if you'll just smile for
me
No, there's nothin', nothin' that I can't be, if you'll just
smile for me
Smile for me
