Well I've been so far away from you, now I'm standing
by your side
And there were nights we were so in love, but lovin'
made me blind
But that time is so far below us now, from memories so
thin

Chorus:

It's so easy to begin, but it's so hard to stop this love
It's just so hard to stop
When a heart that's looking for lovin' leads you in
It's so easy to begin

And I've at least saved some lessons from the time I
fell apart
And I know you've been wonderin' why I look at you so
hard
But I never want to wake up someday, and wonder
where we've been

(chorus)

But it's so hard to stop this love, it's just so hard to stop
When a heart that's looking for lovin' leads you in
It's so easy to begin (it's so easy to begin)
It's so easy to begin (it's so easy to begin)
It's so easy to begin (it's so easy, it's so easy, it's so
easy to begin)
