Soul kiss, you left me dreamin', now I want the things
you [swiftly seek]
Will I get down on my knees (and beg you baby), get
down on my knees

Soul kiss, some night you get me wonderin', is this the
way, this is a hunger
Will I get down on my knees (and beg you baby), get
down on my knees

Chorus:
Somewhere there is a fire burnin', somewhere inside
Somewhere there is a heart that's waiting to take a ride
To take a ride with your soul kiss, ah your soul kiss, oh
baby your soul kiss

So this is where it has to lead to, take my hand and
make me need to
Will I get down on my knees (and beg you baby), get
down on my knees

Soul kiss, you left me hopin', now I wonder, is the door
still open
Will I get down on my knees (and beg you baby), get
down on my knees

(chorus)

Ah baby your soul kiss, oh baby your soul kiss
Oh please your soul kiss, I love your soul kiss... (to
fade)
