The long and winding road that leads to your door
Will never disappear, I've seen that road before
It always leads me here, lead me to your door
The wild and windy night that the rain washed away
There's laughter, full of tears, cryin' for the day
Why leave me standing here, let me know the way
Many times I've been alone and many times I've cried
Anyway you'll never know the many ways I've tried
But still they lead me back to the long, winding road
You left me standing here, a long, long time ago
Don't leave me waiting here, lead me to your door
And still they lead me back to the long, winding road
You left me standing here, a long, long time ago
Don't leave me waiting here, lead me to your door
