He's the kind that takes the line of least resistance
In this situation Cupid needs assistance, yeah
I can tell you this in confidence, you should learn a little
self-defense

Chorus:

Toughen up, you better believe it, toughen up, you're
gonna need to
Toughen up, don't let him get the best of you, toughen
up, yeah

What you're lookin' for is only wishful thinkin', yeah
Word is out all over town whose bell he's ringin', yeah
Won't you take a little good advice, you'd better hidin'
what you feel inside

(chorus)

Don't let him tell you what to do to get him runnin' after
you
Pretend you don't care about the guy, never let him see
you cry

(Solo)

Oh, if you love him, take a tip from me, it's the sense of
all philosophy

Toughen up, oh girl, enough is enough, toughen up,
show him you are tough
Toughen up, don't let him get one hold a' you, toughen
up

(chorus)

Toughen up, enough is enough, toughen up, hey girl,
show him you are tough
Toughen up, don't let him get one hold a' you, toughen
up... (to fade)
